

Dear Hiring Manager,

I am writing to express my interest in the Staff, Global Compliance and Reporting position. As a graduate of Accounting from the University of Lagos with several years of hands-on experience in accounting support and financial operations, I am excited about the opportunity to contribute to your team while building my career in tax and compliance.

I currently work within the accounts segment at Eko Electricity Distribution Company, where I support financial reporting, account reconciliation, and data validation activities. In this role, I analyze financial information, maintain accurate records, and collaborate with team members to improve reporting accuracy and ensure adherence to internal procedures. These responsibilities have strengthened my analytical skills, attention to detail, and ability to work within structured financial environments.

Prior to this, I worked in a similar accounting support capacity at Island College, where I assisted in maintaining financial records, preparing periodic summaries, tracking fees, and supporting reconciliation processes. Through these experiences, I developed a strong foundation in financial documentation, reporting, and compliance-focused operations.

In addition to my accounting background, I bring strong technical and analytical skills that enable me to work effectively with structured data, improve reporting efficiency, and support process improvements. I am highly motivated to develop professionally within a global organization, deepen my tax knowledge, and contribute to delivering high-quality client service.

I am particularly drawn to this opportunity because of the structured learning environment and the chance to grow into a well-rounded tax professional. I am confident that my accounting foundation, professional experience, and commitment to continuous learning will allow me to add value to your team.

Thank you for your time and consideration. I look forward to the opportunity to discuss my application further.

Yours faithfully,
Samson Moses Imoh
